

## **TWO MISSION ORGANIZATIONS, ONE COMMON MISSION GOAL!**

Leadership & Development LIZWAN Inc. is the official incorporated name of our ministry in the United States. We have been in existence for the last 18 years, obviously under other names but always seeking to strengthen the mission of the Evangelical Lutheran Church of Colombia. Currently we are starting the process of becoming a 501c3 non-profit organization. Our main role is to interpret the mission of the Emmaus Road Foundation and of the Evangelical Lutheran Church of Colombia to our supporters while at the same time facilitating mission partnerships and bilingual communication with organizations or individuals interested in mission in Colombia. Furthermore LIZWAN supports financially the mission of the Emmaus Road Foundation in Colombia.

The Emmaus Road Foundation is the sister organization of LIZWAN in Colombia. It was established under Colombian law as a non-profit organization to carry out the mission objectives of LIZWAN, provide accountability of our mission to the Colombian government, to the Evangelical Lutheran Church of Colombia and by extension, to our supporters in the United States. Each organization is governed by a Board of Directors. The Emmaus Road Foundation Board includes a representative of the Evangelical Lutheran Church of Colombia. The recently signed Inter-institutional Covenant with the Evangelical Lutheran Church of Colombia further facilitates the mutual cooperation we have had in the past.
