Dear sponsors:

Hello!

Through this letter I want to send you many greetings. May God always be with you!

I want to share with you about how this school year has been. I have made the most of this year and have enjoyed it. I have learned many things that will be helpful to me in the future.

I am living one of the most beautiful stages of being young and that is going to school which you have made possible as well as God. For that I give you many thanks and for helping me throughout this time.

I would like to receive answers to my letters and also to hear about you. I also want to send you a nice Christmas and New Year message. May the meaning of Christmas – love and forgiveness- remain in your hearts and homes!

Thank you for all your support. God bless you!

Sincerely,

Paola Alejandra
